

XV International Scientific Conference on Economic Development and standard of living

ARTIFICIAL INTELLIGENCE AND SUSTAINABLE BUSINESS CHALLENGES AND OPPORTUNITIES

EDASOL 2025

June 13, 2025.
Banja Luka, Bosnia and Herzegovina

The XV International Scientific Conference on Economic Development and Living Standards (EDASOL 2025) will be held on June 13, 2025 in Banja Luka (Bosnia and Herzegovina) organized by the Faculty of Business Economics of the Pan-European University Apeiron and in cooperation with partners - Tambov State University from Russia, Beijing Jiatong University from China, Trakya University from Turkey, University of Novo Mesto from Slovenia, Veika Gorica University of Applied Sciences (Republic of Croatia), College of Business Studies from Ljubljana, Slovenia, AUE-FON University Skopje from North Macedonia, "Union Nikola Tesla" University in Belgrade from Serbia, International Burch University in Sarajevo from Bosnia and Herzegovina.

The primary goal of this conference is to bring together international experts from academia, scientific research institutions, and the economy who are relevant to the broader area of economics and development in the context of artificial intelligence and sustainable business. The conference will also provide a platform for the exchange of knowledge, ideas and results between science and industry.
