

10th International Scientific Conference on economic development and standard of living

„Economic challenges and consequences of the „COVID 19“ pandemic to developing countries“

EDASOL 2020

13th – 14th November 2020.
Banja Luka, Bosnia and Herzegovina

International Scientific Conference on economic development and standard of living (EDASOL 2020) will take place from 13th – 14th November 2020 in Banja Luka (Bosnia and Herzegovina) organized by the Faculty of business economics of the Pan-European University Apeiron, in collaboration with partners - Tambov State University from Russia, Beijing Jiatong University from China, Trakya University from Turkey, Faculty of Logistics in Celje and University of Novo Mesto from Slovenia, Faculty of Economics in Zagreb from Croatia, FON University of Skopje from North Macedonia, University „Union Nikola Tesla“ in Belgrade from Serbia and University of Zenica and Internacional Burch University in Sarajevo from Bosnia and Herzegovina. The main goal of this Conference is to gather international experts from academic entities, research laboratories and industries related to the field of economy and development in the context of the economic challenges and consequences of the „COVID 19“ pandemic on developing countries, and in particular on countries of the Southeast Europe. The Conference will also provide a platform for sharing knowledge, ideas and results between science and industry.
